

IRONVALE BUILDERS

2290 Quarry Road, Unit B | Boise, ID 83709 | (555) 014-7731

September 24, 2026

Hi Jordan,

Thanks for the call last week. As promised, here is the info for our renewal shopping. Our current carrier is raising rates again so we'd like to see a few quotes.

The company is Ironvale Builders, Inc. (it's a C-corp). Most customers know us as Ironvale Renovation, which is the name on the trucks. Our FEIN is 00-7654321. My dad started the business in 2011, so 15 years now.

We are a general contractor doing residential remodels and light commercial tenant improvements. Kitchens, baths, additions, some storefront build-outs. We sub out electrical and plumbing. No roofing, no work above three stories.

Headcount: 14 full-time (crew + office) and 3 part-time (two estimators and our bookkeeper). Payroll last year was about \$1,120,000 and revenue was \$4.8 million. We have 2 locations: the office on Quarry Road and an equipment yard on Fenwick St.

We need general liability, workers comp and commercial auto (5 pickups, 1 box truck). We'd like \$1M/\$2M on the GL. Timing-wise, sometime early next spring, ideally before the Hollis St job kicks off in April.

You can reach me directly at tbrennan@ironvale.example or my cell (555) 014-7790.

Thanks,

Tomasz Brennan
Operations Manager, Ironvale Builders, Inc.

Attachment A - Loss runs (summary, typed from carrier letters)

Date	Line	Paid	What happened
08/14/2022	Workers comp	\$18,750	Carpenter cut hand on table saw, 6 weeks off work.
2/3/24	Auto	\$6,300	Box truck backed into customer's fence while unloading.

no other claims since 2021 - TB
